Summary

Final-year ECE student seeking Full Stack Developer and Software Engineer roles. Hands-on experience building and deploying web applications using Node.js, Express, and MongoDB, with REST API development and responsive UI design. Skilled in Java and problem solving, with a collaborative mindset and a willingness to learn new technologies.

Education

M Kumarasamy College of Engineering 2023–2027
B.E. in Electronics and Communication Engineering
- CGPA: 8.16 (Till 6th Semester)

Cheran Matriculation Higher Secondary School 2022–2023
HSC
- Percentage: 86.83%

Technical Skills

Languages: Java
Web Development: HTML5, CSS3, JavaScript, Node.js, REST APIs
Databases: MySQL, MongoDB
Tools: Git, GitHub, VS Code, Render
Soft Skills: Problem Solving, Communication

Projects

Department System Monitoring Portal View Repository
- Developed and deployed a full-stack web application for real-time monitoring of departmental computer systems.
- Implemented user authentication, system status tracking and responsive dashboards, and deployed the application using GitHub and Render.
- **Tech Stack:** HTML, CSS, JavaScript, Node.js, Express.js, MongoDB, GitHub, Render

Train Ticket Booking System View Repository
- Developed the frontend of a team-built train ticket booking application with train search, seat booking and availability screens, collaborating with a teammate who built the PHP and MySQL backend.
- **Tech Stack:** HTML, CSS, JavaScript, PHP, MySQL

AssetPilot Landing Page View Repository
- Designed a responsive landing page for a trading analytics platform using HTML and CSS, focusing on layout and visual design.
- **Tech Stack:** HTML, CSS

Experience

Web Development Intern – CodSoft (Virtual Internship) Oct 2025
- Developed responsive web applications using HTML5, CSS3, and JavaScript during a virtual web development internship.
- **Tech Stack:** HTML5, CSS3, JavaScript, VS Code, Git, GitHub

Cybersecurity Intern – Edunet Foundation Jan 2025 – Feb 2025
- Learned and applied cryptography basics, including encryption concepts and secure data handling.
- **Tech Stack:** Python, Cryptography Basics, HTTP/HTTPS, Linux

Certifications

HackerRank Skill Certifications View Badges
- Earned HackerRank badges in Java (Basic) and Problem Solving (Basic), demonstrating knowledge of core Java concepts, object-oriented programming, and algorithmic problem-solving.

Achievements

Naukri Campus Young Turks View Certificate
- Achieved 94.21 percentile in Young Turks (2024), one of India's largest skill contests.

Project Exhibition View Certificate
- Secured 3rd Prize at Project Exhibition 2026 for developing a Smart Irrigation Leakage Detection System.
